

Hello (shelter contact),

My name is (name) and I am a (derm resident, dermatologist, medical student, etc.) at (place) (link to bio if you have one, to show legitimacy).

I am contacting you as a representative of the Women's Dermatologic Society (WDS). WDS strives to be the premier organization cultivating personal and professional development of women dermatologists dedicated to excellence in patient care, mentorship, volunteerism, leadership, and service. We would like to work with your organization to coordinate an educational opportunity for the women you serve.

WDS created a service program, the Women's Shelter Initiative. The mission of the Women's Shelter Initiative is to lift up women in our community. By treating the total woman, we hope to address all her needs through education about skin care, oral hygiene, self-care habits, nutrition, social skills and more, so that she may go out into the world and be the best version of herself, inside and out.

I am very interested in hosting a volunteer Women's Shelter Initiative presentation at (shelter, location). The presentations are about one hour long.

You may read more about the Initiative here: <https://www.womensderm.org/community/womens-shelter-initiative>

You can see our past Initiative events here: <https://www.womensderm.org/community/womens-shelter-initiative/past-shelter-events>

Please let me know if you would be interested in this opportunity.

Thank you for your time,
